You'll enjoy this if you like: Native American myths and folktales
Passed down from generation to generation, these are the little known myths and legends of the Cherokee. A combination of legend and lore that answered the simple questions of life, love, the world around them, these stories offer a window into the world of another culture.

Recommended Reading List: Mythology

Shrouded in the mists of time, the legends and lore of yesteryear lurk in the back of our Collective Unconscious. From old folktales to modern discussions of magic, comics become a medium of the mythological. If you've always loved Egyptian or Greek myths, faithfully watch Hercules, have an interest in Tarot or Wicca, or you've read the Illiad enough times to keep the cast of characters straight, then take a look at some of these comics.
